

Sea Cavern

Empty darkness
Dank
Cold
Drip
Stagnation
Cavernous
Jagged & defended
Layered with past life
Fossilized
Forbidding
Echoing
With silence

Cheers and cries
From beyond
Gull call
Chatter of children
Laughter of friends
Distorted
By the depths
Into feeble parody
Only emphasizing
Forbidding
Silence
Void
Lifelessness.

Wave crash reaches.
Foamy life enters.
Frothily dancing.
Startling,
Penetrating,
Unavoidable.
Bringing light and air.
Threatening disorder,
Change.
Weathering and eroding
Recreating and reshaping.

Whispering it leaves.
Sighing
with weighted happiness.
Pushing before it
mess and dirt
Cleaning a path
Leaving a yearning
A longing
For
Ebb
And flow.
